WHAT’S INSIDE

OUR STORY  2
LIGHTWEIGHT SPORT  6
DUAL LAYER  8
ANATOMY  12
CARE  16
SOLE has developed the best footbeds on the market by putting our passion and determination into every pair we produce. Our socks carry through this theme of excellence. Our Dual-Layer sock helps to prevent blisters, while our thinner Lightweight Sport sock is versatile for any activity. Featuring an elasticized arch band and hand-linked toe seams, our socks truly stand out above the rest.

As a company, we operate with some treasured foundational principles that guide our decision-making and the kind of products we make. Quality is priority for us, starting with excellence in design and innovation all the way through to the friendly, personalized customer service you will receive.
Because we believe in the quality of our product, we stand behind it with a 90 Day Guarantee. Testimonials are shared among our employees daily, so that we never lose sight of the fact that we are in the business of changing lives. And with our wine cork recycling partner, ReCORK, we also aim to change our world by engaging in business in a responsible and sustainable way.

love & thanks
PRIME COLLECTION
LIGHTWEIGHT SPORT

An ideal all-around activity sock. Soft, yet durable, with moisture control, increased strength, and excellent stretch recovery. Available in both black and white.

SIZE RANGE:  Men’s 4 - 12  Women’s 6 - 14

Bandages begone! Proactive blister protection with two layers. The inner layer hugs your foot and slides against the outer layer, protecting your skin from friction to reduce the risk of blisters. Available in both black and white.
I buy SOLE because they are the longest lasting, best fitting, most comfortable and affordable performance sock.

Jordan  SOLE user since 2009
SOCK ANATOMY

1. REVERSE COMPRESSION CUFF
   Reduces slippage and prevents the socks from sliding down. Crew length only.

2. BREATHABLE MESH PANELS
   Instep vent panels provide increased breathability without compromising durability.

3. ELASTICIZED ARCH BAND
   Enhances fit and helps keep the sock in place.

4. HAND-LINK TOE SEAM
   Minimized seam reduces friction points for improved comfort.
THREE MATERIALS
Constructed using three primary materials.

ANTI-BLISTER
Proactive dual layer blister protection.
PERFORMANCE SOCKS

LIGHTWEIGHT
Designed to be minimal, slim and airy.

VEGAN
Contains no animal products or byproducts.
CARE INSTRUCTIONS

We recommend washing your SOLE Performance Socks in cold water and air drying them. The synthetic fibers dry very quickly. Alternatively, you can put them in the dryer at low heat. Using a dryer may result in temporary shrinkage. Don’t worry; they stretch right back out.
At SOLE, we create products that deliver style and comfort. We stand behind the quality and performance of every product and the personal satisfaction of our customers.

Your SOLE product is warranted against defects in materials or workmanship. If you are not satisfied with your SOLE purchase for any reason at all, simply return it to the point of purchase within ninety days of the original purchase for a replacement or refund.
